

Dear Parents/ Guardians,

The 2016 Rockaway Township Summer Recreation Program is underway! I would like to welcome all of our new camp families and thank all of our returning families for making this program a continued success. Enclosed you will find all of the information you will need to know. Please take the time to review it since we have changed some things and fun days! Know that this is just one more step we are taking to make our summer with you and your camper go as smoothly as possible.

For the summer of 2016 we will be back to three schools, unlike last summer. This summer we will be at Dwyer, DBO, and KDM; Birchwood, one of the schools that we usually use will be under construction this summer. We have made sure we are able to accommodate all of the campers at these three locations. In order to get the school you want please register early, once the location reaches its camper limit no more campers will be allowed to register for that location; however you will be able to register for the other location that is still available.

As we begin another year of camp, I want all of us to reflect on what makes this program GREAT! We are a successful playground, recreation program fit to provide over 500 campers with 6 weeks of safe, supervised fun. We have counselors who used to be campers themselves, campers who can't wait for the day they can wear the white and green counselor shirts and parents who know that, through many ups and downs, Summer Recreation has always been a consistent place for "community fun".

If you have any concerns or questions this summer, you should always address them with your child's Head Counselor first. They are fully trained, highly qualified professionals. They deal with many types of issues involving children year round. They are your first line of defense and your greatest supports. As a staff, we always make it a point to communicate all of our concerns with our parents as much as possible. What is a concern to you may not be a concern to us and vice versa. *But, we cannot fix what we do not know is broken.* If you have a concern, please come and talk to us. Our doors are always open and we will make every effort to address your concern as quickly as possible.

So, thank you for making Summer Recreation what it is and what it continues to be; a safe place for all of our campers and counselors to enjoy! As a Recreation Staff, we are looking forward to providing you and your camper with another "worry free", safe, fun summer.

If you should have any questions, concerns or commendations about our program, please feel free to contact me at summerrec@rockawaytownship.org.

Best regards,

Miss Rebecca Burrows, Director
Rockaway Township Summer Recreation Program

Just a couple of camp reminders...

- The camp day begins at 9 am and ends at 12 noon. Please be prompt when dropping off and picking up your child. We ask that parents arrive no later than 12:10 pm. If you are unable to pick your child up by this time, make alternate arrangements ahead of time and prior to sending your child to camp.
- In the event that you are late to pick up your child, we know that these things happen, please call the Recreation Department at 973-983-2841 and let them know. They will contact the Director of the program as well as the Head Counselor of your child's school.
- Be sure your child is ready for Recreation! Sneakers must be worn and sun block is a great idea! Also, please send your child to camp with a snack and water bottle/ drink every day. Snacks that may contain peanuts or any kind of nuts are not allowed.
- All buses for trips will be leaving the recreation camp sites at around 9:15. Counselors and bus drivers have been instructed to leave promptly around this time. No buses will wait for campers who arrive late.
- Be sure to read the trip brochure. Any camper not wearing proper attire for a trip or any camper who does not have the correct amount of money for a trip will be asked to stay at the recreation site. Counselors will not call parents and trips will not be delayed.
- If you need to pick your child (ren) up early from camp (before 12 noon) please find the Head or Assistant Head Counselor to sign him/ her out. This helps all counselors keep track of camper attendance.
- Any parent/ guardian who no longer want their child(ren) designated as an "end of the day sign out" must write the Head or Assistant Head Counselor a note wishing to have them taken off the camper sign out list.

DBO Pick Up and Drop Off

This will be in effect the first day of camp!

To make sure pickup and drop off at DBO is safe for our campers, I would appreciate that all cars do one of the following:

(1) In the morning NO CARS may enter the bus lane that is closest to the school.

Campers will be waiting for their counselors on the side walk right in front of the building by the bus lane.

- During drop off, if you are letting your child walk over to the meeting area alone please let them out by the crosswalk in the parking lot so children are not running in between cars!

OR

- Drop off, park your car and walk your camper across the parking lot.

(2) In the afternoon, ALL of the campers will be waiting in the gym organized by grade level.

- If you are picking up your camper(s) from the gym please wait outside the gym doors. When camp has officially ended the counselors will open the doors and you can get your camper and leave with them through the gym doors out to the main lobby.

- If you cannot get out of your car for whatever reason at dismissal you may pull into the bus lane. Counselors will come up to your car and ask for the grade your child will be entering and the name of the camper. They will then escort the camper(s) from the gym to your car.

Please be patient during pick up and drop off, we have limited space to work with at DBO. Make sure you are following that “traffic” patterns that have been put in place by the school! No cars should be exiting through the entrance.

Anyone who is signing their camper(s) out at the end of the day will follow the above procedures for the morning drop off, but will need to park their car for pick up as your campers(s) will be waiting in the gym with the rest of the campers waiting to be signed out.

Thank you for your cooperation and understanding!

Miss Rebecca Burrows, Camp Director

Rockaway Township Summer Recreation

Rockaway Township Summer Recreation Camp

2016 Trip Information

All Camper Trips (all grades included):

FROG FALLS AQUATIC PARK

Picatunny Arsenal

- All campers will be bused to this swimming facility.
- Admission is **\$12** for each camper, regardless of whether they swim or not.
- If you have a family membership, you do not have to pay. Make sure you bring your pass. We are going during non-public hours early in the morning.
- Bring a towel, sun block, beach bag, etc. Label all items with child's name.
- You may bring your own snack, but it must be eaten at the snack tables. The snack bar may or may not be open.
- Weather permitting.

MT. HOPE POND

- All campers will be bused to this swimming facility.
- Swimming is optional.
- Campers are encouraged to bring their snack, sun block, towel, sandals, sunglasses, and a small beach activity (shovel and pail, a book, cards, etc.).
- Some recreation equipment will be brought to the beach.
- Weather permitting.

2nd and 3rd Grade Camper Trips Only:
