Mayor Joe Jackson and the Rockaway Township Council are pleased to announce the Rockaway Township Spring Clean Up day, to be held in conjunction with the New Jersey Tree Recovery Campaign's free distribution of tree seedlings, on Saturday, April 22, 2023 from 9:00am to 12:00pm at Parks Lake and Mt. Hope Pond.

All residents, youth groups, scouting groups, families and other community organizations are invited to help remove litter. Participants will receive T-shirts and promotional items, and non-profit groups are eligible for mini-grants for their participation. Volunteers will meet at their assigned location and will receive gloves and bags to facilitate the clean-up. Children under 18 years of age must be under parental supervision.

Free tree seedlings, available on a first come, first served basis, will be distributed as part of the New Jersey Tree Recovery Campaign, a multi-year effort helping communities replace trees. The seedlings include instructions regarding storage, care and planting, and should be planted within two days after pick-up.

Pre-registration is required for the cleanup. At the time of registration, participants will be assigned to the Mt. Hope Pond or Park's Lake location. If you would like to register yourself, your family or an organization for the Annual Spring Clean Up, please contact the Rockaway Township Division of Health at 973-983-2848 by April 19, 2023.
