9/22/23

The Rockaway Township Municipal Utility will be conducting maintenance on the Green Pond Storage Tank beginning on 9/22/23 and ending in approximately 8 weeks. Residents may experience slight temporary changes in pressure. Routine maintenance of our infrastructure is essential and is being conducted in accordance with NJDEP rules and regulations. Residents that experience significant water-pressure loss, complete water loss, or water discoloration for long periods of time, please call the Police Department at 973-625-4000 and they will have someone sent out. Thank you for your patience as we continue to improve the infrastructure in Rockaway Township.

Sincerely,
Dennis Crothers
Assistant Sewer Superintendent
